Se il rivestimento del pianale differisce da quello del divano ma si trova nelle medesime classi di rivestimento non vi è alcun aumento. The covering can be all in the same fabric/leather, or else the base can be covered with a different fabric/leather than the seat. If the side accessory is included, the support peninsula covering is the same as the base. If sofa is covered with a category A-B-C fabric/leather and the base with a category D-E covering with a 4% surcharge, or 6% surcharge in category F.
