IT Il tratto sottile e continuo del telaio disegna un profilo discreto ed essenziale. In alluminio laccato opaco o Anodizzato Nero, ritma la successione di elementi verticali, oppure tende a mimetizzarsi se coordinato alla superficie delle ante, disponibili in vetro, specchio, essenza, materico, pelle sintetica e laccate. Longilinea e leggermente angolata, la maniglia nasce come naturale continuazione del telaio, garantendo un'immagine elegante e lineare, e un'ottima prensilità per ogni tipologia di anta, a battente, scorrevole o complanare.

EN The slim, uninterrupted line of the frame draws a discreet and minimal outline. In matt lacquered or Black Anodized aluminium, it punctuates the run of vertical modules or tends to blend in when coordinated with the surface finish of the doors available in glass, mirror, wood and materico finishes as well as synthetic leather and matt or gloss lacquers. Long and slightly angled, the handle is designed to form a line that carries on from the frame, giving the door an elegant, linear appeal and offering an excellent grip to any type of hinged, sliding and flush sliding door.
