Giralot is a versatile system of storage elements that swivel 180° on the column, fixed to the wall in two points, and resting on the floor. The depth is 30 cm. The finishes of the elements can be in **V** Veneer (wood) or **T** Touch (lacquer). Giralot is versatile and multipurpose, it can conceal or highlight the items stored. Each shelf can bear weight up to 15 kg. The chosen composition will be delivered already assembled. Maximum baseboard height for standard foot is 7,5 cm. **For baseboards high up to 17,5 cm, available a special foot visible part of which is increased by 10 cm (overall height 206 cm) without any variation on the elements.**
